

SHE CUT A WIDE SWATH

An American Woman In British Court
Accused of Forgery.

TRIPPED UP BY REVENUE STAMP.

Bought United States Steel Trust and
Railroad Stocks—Claimed That J.
Pierpont Morgan Advised Her to
Invest—Insanity Intimated.

London, Sept. 2.—Marie Josephine Eastwick of Philadelphia was arraigned in the Guildhall police court charged with having forged a railroad certificate of the value of £100,000. Sensational evidence was presented.

The public prosecutor said defendant had been residing in England 18 months and was believed to be an American of wealth. She had been living with persons, said to be her father and sister, at the Metropole, London, and had been coaching through England and living generally in the most expensive manner. Latterly she had removed to Hampstead, for the benefit of her health. She obtained an introduction to Mr. Beeton, a member of the stock exchange, to whom the defendant represented herself to be the owner of securities worth, roughly, £500,000. She said she wanted to buy 1000 shares of United States Steel corporation as a speculation. This operation required £1000, which defendant said she did not have, but as she wanted to invest immediately, she told Mr. Beeton, she had cabled a trust company in Philadelphia to break open her strong box and forward the money to her by mail. She added that the trustees telegraphed her, refusing to do so until they had her key.

Aug. 12 defendant went to the Charing Cross branch of the credit Lyonnais and asked the manager to buy two shares of Canadian Pacific railroad. The manager took the order, but afterward found it difficult to get so small a number of shares and wrote defendant asking if he would be allowed to get five or ten shares. As a result, five shares were bought Aug. 15, and the defendant duly sent her check. She wrote Mr. Beeton Aug. 15 saying she expected 1000 Canadian Pacific shares from New York and wanted a loan on them, as she was desirous of buying more United States Steel. Mr. Beeton replied that he did not think there would be any difficulty raising a loan on such securities. She received a certificate for five Canadian shares Aug. 16. The prosecutor said that by Aug. 26, the certificate had been altered, that the name of the original holder had been erased, and the name of Marie Josephine Eastwick had been substituted. The word "five" in the number of shares and the numerals had all been altered, so that it appeared to be a certificate for 1000 instead of five shares. The only mistake was that the document bore a shilling revenue stamp instead of one for £10, which a certificate for 1000 shares would carry. It was alleged that defendant sent the altered document, with a letter, to Mr. Beeton Aug. 26, asking him to buy 1000 United States Steel shares in the firm name, also requesting a loan of £4000, adding that she was going in for motor cars heavily, and was about to purchase a stud farm.

Mr. Beeton's clerk, on receiving the certificate, noticed the stamp irregularity and went to the Canadian Pacific railroad office, where it was pronounced forged. Mr. Beeton wired this information to defendant, asking for an explanation. She replied: "Call me on the telephone," and then wired: "Have sent no certificate. Don't understand."

Mr. Beeton notified the police of London and a detective arrested the defendant at Palace hotel, Buxton.

The testimony of Mr. Beeton and others was heard, generally sustaining the prosecutor's statement. The detective said defendant told him she had practically no defense.

The magistrate asked if the person, who was said to be her father, was present, and a well-dressed, somewhat distinguished looking man stood up among the seats reserved for spectators. The magistrate directed him to be seated. In conversation with a newspaper representative the man claimed to be the woman's father.

The general tenor of Mr. Beeton's evidence was that the defendant impressed him as being a woman of wealth and position. She told him that while she was in Russia the czar placed a train at her disposal and that J. Pierpont Morgan had written her advising her to buy United States Steel common in anticipation of an immediate rise.

The prisoner's father was called up by the court and consulted with the greatest willingness that his daughter's trunks be searched, and the prisoner, speaking for the first time said: "You are welcome to search them all." She was remanded until Sept. 9. She

will be afforded special privileges on account of the poor state of her health and will be examined by physicians. Her counsel in an interview intimated that the prisoner was suffering from temporary insanity. Her father said he could not explain matters at present, but that all would come out right.

DIED LAST NIGHT.

The Venerable D. M. Runyon Passes Away
at the Advanced Age of Eighty-
three Years.

The venerable D. M. Runyon, whose health had been gradually failing for a year or two as a result of old age, died last night about 10 o'clock at the home of Mrs. Eliza McClanahan, of East Second street, where he had been living for several months.

Mr. Runyon was in his eighty-fourth year. His early life was spent at Mayslick where he married a daughter of Rev. Dr. Walter Warder. She died a year or so ago. Their marriage was never blessed with any children. Mr. Runyon had been a resident of Maysville the last fifteen or twenty years, and was engaged in the dry goods business a part of the time. He leaves one sister, Mrs. Chinn, of Lexington.

The funeral arrangements have not been announced. The remains will probably be taken to Lexington for burial.

French Officials at Constantinople
Snubbed the Sultan.

TURKISH OFFICERS GET SHORT PAY.

Abdul Hamid Appeals to Germany
But Germany Tells the Turk
He Had Better Settle With
France as Soon as Possible.

Constantinople, Sept. 2.—M. Bapst, councillor of the French embassy and the other members of the embassy staff, took the guardship Vauteur on an excursion on the sea of Marmora in order to avoid dressing the vessel as the other ships in the harbor were dressed in recognition of the anniversary of the sultan's accession to the throne, which was elaborately celebrated. The members of the embassy did not participate in the congratulations of the diplomatic corps nor was the embassy illuminated.

Turkish officials received only 40 to 60 per cent of their salaries on the anniversary of the sultan's accession.

The report that the sultan has appealed to Germany to use her good offices to settle the dispute with France is confirmed. Germany, it is understood, will advise the porte to settle with France as soon as possible.

Ordered Out of France.

Paris, Sept. 2.—The result of Munir Bey, the Turkish ambassador to France, coming to Paris in spite of the rupture of France-Turkish relations and holding a fete in the most open way at the Turkish embassy in honor of the anniversary of the sultan's accession to the throne has been that the French government sent him a request to leave France immediately and Munir Bey departed at once for Switzerland.

Ecuador's New President.

Guayaquil, Ecuador, Sept. 1.—In accordance with the constitution of Ecuador, President Alfara gave over the presidential office to his successor, General Leonidas Plaza. The former president is expected to arrive here within a few days. Order and good feeling prevail throughout the country. The Chilian protected cruiser Ministro Zenteno, now anchored here, has been well received. Her officers have been entertained by the government. Governor Luis A. Dillon took them on an excursion up the river Guayas, which proved a pleasurable experience and is described as "helping to cement the friendship existing between Ecuador and Chile."

Chun Changed His Mind.

Basel, Switzerland, Sept. 2.—Prince Chun gave orders for preparations to be made to start for Berlin but soon afterward countermanded them. Various unsubstantiated stories are in circulation as to the Chinese envoy's intentions—that he is going to return to Peking at once, and that he will make a tour of the other European capitals while waiting for Emperor William to recede from the conditions his majesty has laid down for the ceremony of apology for the murder of Baron Von Ketteler. Prince Chun received one dispatch from Berlin and appears to be waiting for orders.

Squiers Bringing a Collection.

Peking, Sept. 2.—H. G. Squiers, secretary of the United States legation in Peking, has started for home on leave of absence. He takes with him a collection of Chinese art filling several railway cars, which experts pronounce one of the most complete extant. Mr. Squiers intends to present the collection, which consists largely of porcelains, bronzes and carvings from the palaces bought from missionaries and at auctions of military loot, to the New York Metropolitan Museum of Art.

Turmoil in Persia.

Cologne, Sept. 2.—A dispatch from Teheran says a widespread revolutionary movement is going on in Persia, fostered by discontent with the government on account of the new loan negotiations with Russia. The grand vizier is accused of selling the country and failing to make reforms. Martial law has been proclaimed in the capital and environs. The agitation, it is said, proceeds from the entourage of the shah, who frequently finds threatening letters on his table.

Castro's Mission to France.

New York, Sept. 2.—A dispatch from Willenstadt, Curacao, says General Cecilio Castro, a brother of President Castro, has left Venezuela for France to obtain an immediate renewal of diplomatic relations with France, to buy arms for Venezuela and also to attend the creation of a French bank. He will travel incognito, and will arrive at Bordeaux Sept. 14.

Venezuela's Complaint Gazetted.

Van Driss, as Chaplain of the Convent of the Sisters of Charity in Delhi, a suburb of the Queen City. He will enter upon his new position on his return from Rome.

Miss Grace Redmond entertained with a birthday party last evening in honor of her guests, Miss Nellie Burke, of Mayslick, and Miss Pearl Bona, of Lexington. The lawn was tastefully illuminated for the occasion, and happy laughter was mingled with softest strains of music from violin and piano. Euchre furnished amusement until 10:30 when refreshments were served, and the merriment was continued with dancing until a late hour.

MR. R. K. STICKLEY.

Well Known Citizen Passed Away Shortly
After Midnight Last Night—An
Invalid For Years.

Mr. R. K. Stickley died at 12:40 o'clock last night at his home on Forest avenue. He had been an invalid for six years, a sufferer from locomotor ataxia, but though it was known he was in feeble health yet his death was rather sudden and unexpected. He was taken much worse at 1 o'clock Monday, the end coming at the hour named.

Mr. Stickley was a son of Mrs. Harriet Stickley and was forty-five years of age. He was born in Maysville and spent most of his life here. His wife survives and he leaves one daughter, Miss Noline. He was a gentleman of kindly disposition, with ever a pleasant word for all, and leaves a wide circle of friends, whose sympathy goes out to the bereaved ones.

Deceased was a member of Dexter Lodge No. 568, I. O. O. F., of Norris City, Ill., and will be buried with the honors of the order. The funeral will take place Thursday afternoon at 3 o'clock at Mitchell Chapel. Interment in Maysville Cemetery.

FETE DAY OF LABOR.

Rest and Recreation for the Sturdy
Sons of Toil.

MANY MAMMOTH DEMONSTRATIONS.

Chicago's Monster Parade and Picnics.
Steel Workers Who Disobeyed Strike
Order Had a Picnic of Their
Own—The Day Elsewhere.

Chicago, Sept. 2.—Organized workmen in Chicago and vicinity celebrated Labor day with numerous picnics and a parade three miles in length. It is estimated that 25,000 trades unionists and musicians were in line. Buildings were not decorated, but banks, the board of trade, the stock exchange and business houses generally closed.

The South Chicago steel workers who refused to obey Shaffer's strike order, were not invited to participate in the demonstration. They had a picnic arranged by their employers.

A feature of the parade, although not observable to spectators who lined the sidewalks, was the union label attached to every garment, cap and shoe worn by the marchers. A committee had seen to it that the parade should represent dyed-in-the-wool unionism, and even the horses were not allowed in the procession until it was shown that their shoes had been put on by union smiths. Among the speakers at the picnics were Senators Mason and Cullom of Illinois, Mayor Harrison and Samuel Alschuler, former Democratic candidate for governor of Illinois.

Strikers Cheered at Pittsburg.

Pittsburg, Sept. 2.—Pittsburg was given over Monday to the "sturdy sons of toil," who paraded the streets, many thousands strong in celebration of Labor day. The interest owing to the Amalgamated strike was never as great as this year and in the procession were workmen of almost every trade. The first division was made up of the Amalgamated strikers with President Shaffer in command. It was one of the largest of the four divisions and the striking steel workers were greeted with enthusiasm all along the line. There were from 15,000 to 20,000 in the parade. The best of feeling prevailed and there was no disorder. At Ross Grove, where a reunion of the allied trades of western Pennsylvania was held, addresses were made by President Shaffer, Simon Burns of the Window Glass Workers' association, George J. Churchill and others.

Cincinnati's Celebration.

Cincinnati, Sept. 2.—The Labor day parade here was the largest and most brilliant in the local history of these demonstrations, over 10,000 being in line. The weather was pleasant and the day was observed in all business circles. Every article in the parade, including the gear of horses, bore the union label. Among the speakers was Henry George, jr. The mill men of Covington and Newport, Ky., who are not involved in the Amalgamated strike, made a sympathetic display.

St. Louis Festivities.

St. Louis, Sept. 2.—Labor day in St. Louis was celebrated with two great parades that wound up with picnics and celebrations attended by thousands of laboring men and their families. It being a legal holiday the banks and exchanges, municipal and government offices as well as the downtown stores, factories, etc., were closed all day. It is estimated that fully 40,000 marched in the two processions, while at least 100,000 persons attended the picnics and celebrations.

Banners Carried at Cleveland.

Cleveland, Sept. 2.—Fully 10,000 laboring men and women marched through the streets in the Labor day parade. The International Longshoremen's union had 1200 men in line. A number of banners were carried, five of which read: "We are fighting a billion-dollar trust," "We are not on strike, but are in the fight," "Our spirit of loyalty cannot be bought," "In God we trust, we don't care for any other trust," "Down with Schwab and Morgan; long live T. J. Shaffer."

At San Francisco.

San Francisco, Sept. 2.—Labor day in this city was celebrated by the labor unions, which gave a public demonstration of their strength by parading through the business section of the city. There were 20,000 men, including nearly every union man in the city and a great majority of the non-union men. Following the parade exercises were held, Congressman Maguire being the orator of the day.

WENT BEGGING.

Republicans Have a Hard Time Naming a Ticket.

Declining Was the Order of the Day at the County Convention Monday.

The Republicans spent nearly two hours Monday afternoon trying to name a county ticket and then had to turn the matter over to their Executive Committee to complete the work.

Places on the ticket went begging, declination followed declination. In fact it seemed to be a good day for declining. Honors were thrust upon any number of the faithful, who as promptly handed them back to the convention.

The convention was called to order by Secretary W. D. Cochran, of the County Committee, in the absence of Chairman Stallcup. A temporary organization was effected by the election of Thos. A. Davis as Chairman and A. M. January Secretary. This was afterwards made permanent. The Chairman, on motion, started to appoint a Committee on Credentials and had named Senator Cox and Prof. Reganstone, when the latter, by permission of the Chair, suggested Messrs. John Short, Allan D. Cole and Henry Ort. The latter declined, and suggested E. H. Bryant, and the committee was thus named. On motion Senator Cox was added to it, but declined, saying three were enough.

The Committee on Credentials found but one contest, that in the Fifth ward, and this was settled by admitting both delegations, giving each delegate a third of a vote.

Prof. Reganstone, Senator Cox and Mr. Allan D. Cole were appointed a Committee on Resolutions. The resolutions adopted, re-affirmed the principles announced by the last State and national conventions; asserted that "the Republican party has always and does now stand for a free, untrammelled ballot and for an honest count;" invited "the support of all citizens who believe in the doctrine of civil liberty, the freedom of the ballot and who are opposed to all manner and form of political corruption;" and closed by expressing "heartfelt gratification and approval of the appointment to the Federal bench of the Eastern district of Kentucky that man of spotless integrity, commanding in personality and eminent legal attainments, our fellow citizen and friend, the Hon. A. M. J. Cochran."

On motion of Mr. W. H. Lynch an

amendment was added, commending the course of Senator Cox.

Mr. Logan Marshall, of Sardie, was placed in nomination for Representative by Mr. Allan D. Cole, but promptly declined. No one else seemed to want the honor and the convention proceeded to name a candidate for County Judge. 'Squire C. W. Williams, of Mayslick, was the only one presented and was nominated, unanimously. The 'Squire wasn't present. It is said he will not accept.

For County Clerk, the convention seemed unable to find any available timber, and passed to the next number on the program. Mr. Preston Wells was nominated, without opposition, for County Attorney. Preston was present, and the presumption is that he will run, as he did not decline.

For Sheriff Mr. W. W. Gault was placed in nomination by his friend, Mr. Myall, of Mayslick, but W. W. is too

busy with other matters, and wouldn't have it. Mr. J. C. Stevenson and Mr. Scott Fletcher then had an exciting struggle for the honor declined by Mr. Gault. Scott was knocked out in the first round, scoring just thirteen votes to his Murphysville opponent's twenty-eight.

Mr. Charles Biggers, of Dover, Mr. Earnshaw McMillan, also of Dover, and Mr. Wm. Stubblefield, each in succession, declined the Assessorship nomination, and the convention gave it up and concluded to let the Executive Committee solve the problem.

Mr. John Johnson for Jailer, Mr. Cleon Keyes Calvert for School Superintendent and Mr. Robert Toup for Coroner all had easy sailing, and were declared the nominees for these offices.

No one was presented for Surveyor. The convention again took up the naming of a candidate for Representative, and Elder T. P. Degman, of Springdale, was nominated, on motion of Senator Cox.

The Executive Committee was requested to get together at an early day and complete the ticket, if possible.

The delegates from the various Magisterial districts made nominations for Justices and Constables, as follows:

First District—Magistrate, Byron Rudy; Constable, Eli Greenlee.

Second District—Magistrate, Jacob Miller; Constable, M. C. Chisholm.

Third District—Magistrate and Constable; (no nominations).

Fourth District—Magistrate, Thomas Maher; Constable, Amos Detro.

Fifth District—Magistrate, Edward Belfry; Constable, John Mitchell.

Sixth District—Magistrate, J. H. Grigsby; Constable, Perry Craycraft.

Eighth District—Magistrate, W. H. Hook; Constable, Joseph F. Morgan.

Permits were granted as follows: Wells & Coughlin; to erect a new brick front for the livery stable.

Dr. J. D. Davis; to erect addition to and improve his residence, corner of Second and Poplar.

Sallie S. Wood; to erect a one-story frame dwelling on alley, Fifth ward.

C. H. White; to repair and improve business house on Second street.

M. Guilfoyle; to erect a frame addition to residence on Lindsay.

A claim of H. L. Newell for \$60 for services as Mayor pro tem previous to Mr. Stallcup's administration, was presented. Mr. Newell had been tendered \$100 for these services and had declined it. He concluded, however, if Council was going to pay pro tem Mayors \$5 a day hereafter, as was voted at last meeting, he ought to be paid something for his services. The matter was referred back for further explanation.

A complaint against a shed erected on Sixth street by Jos. F. Thompson was referred to the Grievance Committee.

The Committee on Internal Improvement was ordered to put down a brick gutter on north side of Third, from Russell building east to Limestone street, according to law. The law requires the abutting property owners to pay the cost.

The committee to ascertain probable cost of a sewer to drain that portion of the Sixth ward from west end of ball park east reported, giving Surveyor Hord's estimates. The estimates ranged from about \$3,500 to about \$7,000, according to size of sewer.

After wrangling for some time over the question of a brick crossing over Third street at or near Wall, the crossing was finally ordered put down at the location of the present crossing at Maddox avenue.

A bond for \$500 was ordered sold to provide funds for current expenses. This not being sufficient, the Ways and Means Committee was authorized to borrow \$500 additional to aid in paying outstanding orders.

A brick walk was ordered put down around the Sixth ward school house.

A brick gutter was ordered put down in front of the Hall plow factory and E. A. Robinson's residences on Second and Lexington streets.

United States Judge Cochran was granted use of the Council Chamber for holding court whenever he desired it.

Postum coffee—Calhoun's.

Astounded the Editor.

Editor S. A. Brown, of Bennettsville, S. C., was once immensely surprised. "Through long suffering from dyspepsia," he writes, "my wife was greatly run down. She had no strength or vigor and suffered great distress from her stomach, but she tried Electric Bitters, which helped her at once, and, after using four bottles, she is entirely well,—can eat anything. It's a great tonic, and its gentle laxative qualities are splendid for torpid liver." For indigestion, loss of appetite, stomach and liver troubles it's a positive, guaranteed cure. Only 50c. at J. Jas. Wood & Son's drug store.

Attention!
All Red Men and Haymakers who are going to take part in the parade will please report to-day sure to Joseph F. Martin, Chairman of the Parade Committee. Be ready to march by 9 a. m. sharp Wednesday.

WELCOME To the Elks Fair!

Make our house headquarters; every accommodation we can render you is yours for the asking for it. In honor of your presence in town we show for the first time this season the

New Fashions For Fall and Winter in Clothing, Haberdashery and Hats

for men, big and little boys. While not exactly in the nature of an exhibition, the showing is one that will interest men who wish to dress well and mothers who wish to dress their boys stylishly and serviceably at moderate cost. The features of the showing in Men's Clothing Department are the large representations of such famous manufacturers as Stein-Bloch Co., L. Adler Bros., & Co., Garson, Meyer & Co., and Michaels, Stern & Co.,—all Rochester, N. Y., houses, and notably the best in the world. Our sales of the production of above named houses justifies these firms to confine their lines to us only.

Our Furnishing Department has many pleasant surprises for the man who is particular about his Ties, Shirts, Collars and Hose. The Hat Department exhibits the most exclusive shapes and colors produced by the world-wide known John B. Stetson Co.

SHOES and Prices to Please Everybody

that want good Shoes. No matter how long your overcoat is, it cannot conceal your feet. We will dress your feet so as to add style and dignity to any man's foot. Many houses aim to keep the best of shoes. We not only aim but have them. The celebrated Hanan & Son and W. L. Douglas shoes are our leaders. They combine style with comfort. We guarantee them to give satisfaction or the money back. Taken altogether, you can spend a satisfactory half hour with us during the week and the only "exhibition feeling" that we want you to have is to look at everything, whether you want to buy or not.
